JOHN McCALL INTERIOR DESIGN

While large country-house projects may be his trademark, John McCall has proved equally adept at creating alluring, comfortable interiors in small rural cottages and Caribbean newbuilds. His current projects include a new lodge in Oxfordshire and a large house in Knightsbridge.

He says 'As a precocious teenager, I felt the uncontrollable need to move my parents' furniture around all the time, and I orchestrated for myself, aged 16, a Hicksian-style bedroom in scarlet, chocolate and orange. A career in design seemed inevitable to me.'

We say 'John is a thoughtful designer with a gentle manner, so it's no surprise that his clients come to him again and again or that, after 30-odd years in business, his talent is still very much in demand.' mccalldesign.co.uk
